

Homemade Caramel

1/4 cup butter

1/2 cup brown sugar

1/2 cup sugar

1/2 cup light corn syrup

1/2 cup sweetened condensed milk

Combine all ingredients into a large microwaveable bowl. Microwave ingredients for two minutes. Remove the bowl and stir together well. Microwave for another two minutes. Remove from the microwave and stir again. Microwave for two minutes more. (6 minutes total). Stir together.

Pour into a greased 8" x 8" pan. Let set. When ready cut into squares and wrap in wax paper (parchment paper) squares; twist ends.

Serve as caramel squares or dipped in chocolate.

Or use immediately to dip pretzels or apples in.
